## BISHOPS' ACTION APPEAL

### So what is this appeal, what are we imagining?

We are going to build on the success from the Leap for Faith Campaign with a special yearly appeal from our Bishops.

As a diocesan family we have learned the importance of having new ministries available each year that will support and grow our congregations and families.

#### This year we dream of...

- training our lay and clergy leaders to improve their gifts of leadership in the parish
- helping young families with children pass on their faith to the next generation—that is a huge gap in what we do right now.
- providing ways to grow your congregation through visioning, strategic planning, liturgical development and stewardship training
- reducing our footprint
- expanding our work with youth and young adult ministries
- creating an endowment fund to cover the cost of the diocesan bishop
- restoring the financial support to the work of General Synod.

Our financial goal is to raise \$292,500 in gifts and pledges. People who only want to make a one time contribution will be able to do that. If you want to make your contributions monthly that can be done over the course of a year.

A letter is being mailed to individual Anglicans at the beginning of October. There will be no requests to parishes to make a contribution from your parish. Extra copies of the letter will be sent to the parishes to ensure everyone is able to participate.

An information kit has been sent to parishes and you can learn more about the appeal by going to the website [www.nspeidiocese.ca](http://www.nspeidiocese.ca) or call Jana, the appeal administrator, at 902.422.6925.

A full report of the appeal will be provided in the January issue of the Diocesan Times.
