

Diocese of Nova Scotia & Prince Edward Island

December 2, 2011

Dear Treasurer:

Thank you for offering to serve God in your parish by undertaking the work of treasurer. This is an important ministry. The accurate accounting of the funds that parishioners give us is essential to their ongoing trust that the parish makes good use of their gifts. Good reporting to parishioners and the diocese helps all of us tell the good news of the work that is being done with the money that people give, and lets them know we are being good stewards of their gifts.

I am happy to commend this handbook for your reference. It has been compiled from the previous experiences of parish treasurers like yourself. Suggestions for additions are always welcome. Please forward your suggestions to the Synod Office, attention Christine Newcomb.

Many blessings as you serve the Lord in your parish,
