**Wednesday, April 22, 2009 at 7:00 pm**

Bella Rose Arts Centre

located at Halifax West High School, Clayton Park  
283 Thomas Raddall Drive, Halifax

Drug reactions and interactions are a concern for many people taking both prescribed and non-prescription medication. Dawn Frail will focus on some common concerns when combining medications with certain foods or with other medications. Michele Lycett will explain the Medication Review Service that is now offered by pharmacists in Nova Scotia.
