The Most Rev'd Fred Hiltz, Preacher

History

The Primate's World Relief and Development Fund is marking its 50th Anniversary. To honour this amazing benchmark, which grew out of the Springhill Mine Disaster of 1958, PWRDF is celebrating its past and setting the course for the next fifty years with a series of special events. One of these events is a 50th Anniversary Dinner to be held in Halifax, Nova Scotia, April 29th, preceded at 4:30 p.m. by a reception with cash bar and canapes.

The timing of the dinner coincides with the national PWRDF Board meeting to be held in Halifax. Therefore, the dinner will also be attended by the Primate, The Most Rev'd Fred Hiltz, as well as Canadian and International partners. The ticket price of \$50.00 is for the dinner only ... the 50th Anniversary Fund Raising Committee will be making a special financial appeal to those in attendance to help continue the tremendous work PWRDF does around the world into the future.
