

Weekend Spring Retreat June 18 - 20, 2010

Theme: Sacred Presents: Simple Gifts for Living with Passion, Purpose and Grace

During this retreat, we will ask one basic question: what is it that makes life worth living? Together we will explore what can make the everyday ordinary, extraordinary. If we long to be artists of the gospel, if we want to be fully human and fully alive, there are just a few things we really need. We hope to discover these few Sacred Presents within the sanctuary of this retreat experience.
