

**STRUCTURE FOR PROCEDURES SECTION (as approved by Archbishop Ron Cutler, 19 June 2019)**

**(1) Allegation brought by Child/Youth/Vulnerable Adult (C/YVA)**

**(2) Allegation brought by ADULT**

Note: **Use of this structure does not necessarily mean that we need to have eight different procedures;** we might need as few as two. But the structure allows for triage according to the three (arguably) most significant variables in the situation.
