

Participation Covenant & Consent

Name: _____

This covenant is between you, the planning team, and God. This covenant covers some things about you, and the things that you will commit to as part of this weekend, and things that you and parents\guardians give consent for.

For this event, we will be gathering together as a community – and everyone needs to work together to make sure that it’s a healthy, safe, and fun experience.

As Encounter: A TEC weekend leaders, we are committed to supporting you and the rest of the community in these things, and to helping you be mindful of your commitments.
